

The Sweetest Patio

Everyone loves to rant and rave about Italian food, but when it comes to patio character and ambiance you'll score a summer bonanza at *Piatti Ristorante & Bar* in *Cherry Creek North*. Piatti is a place to eat, drink and socialize while giving the sense one has escaped from Cherry Creek to an archetypal Italian village with a charming Pranzara del Patio. It is the perfect gathering place to meet friends, family and neighbors to sip Pinot Grigio under the midday sun or settle in with Pinot Noir beneath the starry sky. Information: 303-321-1919.
